

CLR PRO® COMMERCIAL DRAIN LINE & GREASE TRAP TREATMENT

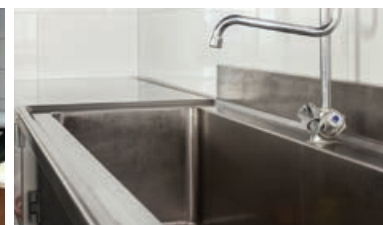

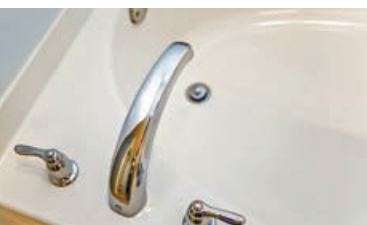

Live microbial formula prevents the accumulation of fat, oil, and grease in grease traps and will keep drains flowing freely.

- Live bacteria digests and degrades fat, oil, and grease with no harmful byproducts
- Contains no emulsifiers—promotes a more efficient waste water treatment operation
- NSF certified—approved for use in food processing, food storage, and food service facilities
- Environmentally safe—EPA's Safer Choice for safer chemistry

Proven effective on a wide variety of applications

Grease Traps
Drains
Toilets
Sinks
Tubs
Showers
Kitchens
Restaurants
Spas
Locker Rooms

ENVIRONMENTALLY SAFE PRODUCTS THAT HELP MEET SUSTAINABILITY GOALS

CLR® PRO Commercial Drain Line and Grease Trap Treatment is certified EPA Safer Choice and meets LEED Standards.

CLR® PRO Commercial Drain Line and Grease Trap Treatment has been evaluated through the EPA's rigorous scientific process, so it contains only the safest ingredients without sacrificing quality or performance. With no emulsifiers, added enzymes, surfactants, soaps, or fragrance, CLR® PRO Commercial Drain Line and Grease Trap Treatment is non-corrosive, non-toxic, non-abrasive, and meets a very stringent human health and environmental criteria.

Meets LEED Standards.

LEED Standards in green cleaning aim to reduce levels of chemical, biological, and particulate contaminants, which can compromise the health of your employees, building finishes and systems, and the environment. EPA Safer Choice products are LEED compliant.

Biodegradable and safer for the environment. Safer for plumbing, septic systems, vegetation and marine life. CLR® PRO Commercial Drain Line and Grease Trap Treatment is safe for fish and other aquatic life, does not pollute air or waterways, and does not add harmful chemicals to the land.

Non-corrosive and non-abrasive on all drains.

CLR PRO® Commercial Drain Line and Grease Trap Treatment contains live bacteria that digests and degrades fats, oils and grease to safely promote free flowing drains and grease traps

Non-toxic and safe for employees.

The only biproduct of CLR® PRO Commercial Drain Line and Grease Trap Treatment is CO₂ and water, so employees can safely use and store.
