## ENVIRONMENTALLY SAFE PRODUCTS THAT HELP MEET SUSTAINABILITY GOALS

### **CLR® PRO Heavy Duty Cleaner is biodegradable and safe for the environment.**

CLR® PRO Heavy Duty Cleaner is a non-flammable, non-acidic, non-toxic formula that makes short work of cleaning stubborn oil, grease and tar.

### **Water-Based Formula.**

The water-based formula will not harm surrounding vegetation and is safe for plumbing and septic systems.

### **Non-corrosive and non-abrasive on application surfaces.**

Safe to use on a variety of surfaces without harming the surface, even chrome or paint on vehicles.

### **Non-toxic and safe for employees.**

CLR® PRO Heavy Duty Cleaner is safe for employees to handle because it is free of acids, abrasives, or petroleum solvents which can irritate the skin and lungs.

### **NSF Certified.**

CLR® PRO Heavy Duty Cleaner is certified safe to use in food processing, food storage, and food service facilities.
